If NO or DON'T KNOW, please note that both stallions **already graded into another sports pony studbook** and SPSS Graded Stallions will need to have a DNA profile done to complete their graded status. DNA sample bags are available on request from the SPSS Studbook Office and DNA profiling costs £50.00.

An acceptable veterinary certificate showing freedom from hereditary disease/defects will also be required for all graded stallions.

All stallions (except for those already graded into another sports pony studbook accepted by the SPSS) **will be required to successfully attend a SPSS Stallion Grading** before they can be entered into the Head Stud book for stallions. Please ring the Studbook Office (07703 566066) for details.
