All mares (except for those already graded into another sports pony or WBFSH member studbook) **will be required to successfully attend an SPSS Mare Grading** before they can be entered into the relevant SPSS Graded Mare Studbook (mares of 158cm or less only). Please ring the Head Office (01935 840029) for details or visit [www.spss.org.uk](http://www.spss.org.uk)

Note that Mares over the SPSS height limit of 158cms are now eligible for SPSS overamping if required in order for their foal(s) to get an SPSS passport.

This form is available to download from the Membership area of the SPSS website ([www.sportpony.org.uk](http://www.sportpony.org.uk)) or from the Studbook Office.

To register your mare, please send to the address below: this form, a cheque for the correct registration and membership fees together with your Mare's passport (via recorded delivery or registered post) if she has already been graded. If you are registering a mare to bring her for grading, as we will need to have her passport to overstamp post grading, then we would rather have copies of the key pages (by post or email), but you can send in the passport if you want. If sending copies (photocopies, scans and photos are all acceptable as long as they are clear), the key pages are: the pages containing her name, UELN, date of birth, breeder etc; pedigree; ID diagram & description).
